CHRIST
CAMPUS
RAJKOT

VISION

To excel in the creation of an egalitarian society characterised by love, unity, justice and brotherhood.

MISSION

To sustain the spirit of excellence at the undergraduate level, initiate the postgraduate studies in the same spirit and excel in it in the next five years.

To provide innovative and quality learning to the young generation through quality management and to equip them to become productive, proactive human resources and responsible citizens of the nation.

VALUES

Christ Campus stands on the pillars

C	- Character Integrity
H	- Humanness
R	- Realisation of the Self
I	- Innovation
S	- Service
T	- Transformation

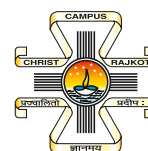

MOTTO

The motto प्रज्वालितो ज्ञानमय प्रदीप means "the lamp of knowledge is lit". True knowledge dispels ignorance and liberates the seeker. Christ college stands as a source of knowledge to its students and it entrusts them the responsibility to share what they have received with the society and the world at large. Thus it aims at creating a better society in all respects.

THE EMBLEM

The name of the college and its motto are shown on the flying ribbons, which symbolize zeal for heights.

At the centre of the emblem is the lamp of knowledge that stands for Christ College. It is placed in the midst of "Panch-tattva", namely earth, water, fire, air and sky.

The constellation of seven stars, called "saptarshi", stands for the enlightened and liberated Christites who would lead the nation to true freedom like the former directs the sailors to the pole star.

There are seven lines each to the four directions. The number seven being a symbol of perfection indicates our tireless efforts for harmony with God, Humanity and Nature.

From the Director's Desk

Being the Director of Christ Campus, I assure you at the outset that Christ Campus, Rajkot, consisting of the three institutions of higher education: Christ College, Christ Institute of Management and Christ Polytechnic Institute, will give you a better opportunity to realize your own self and will also transform you into a better person of potentials who will be ready to challenge and survive any odd situation. It goes without saying that Christ Campus owns a competitive infrastructure and conducive atmosphere that will add to satiate students' quest for knowledge, but the real strength of Christ Campus is a family of dedicated staff members that live teaching as a passion to tap the latent talents of each student individually, leading them from the front to become responsible citizens of the country.

Though we live in an age where both education as well as educating is a business to a large extent, the faculty of Christ campus live and prove to be different in their approach to teaching.

The requisite information related to all the educational programmes on Christ campus are detailed in this brochure. I suggest you go through it, taking your time and decide the programme you wanted to join. If you require further information and guidance, you are welcomed to contact the institute concerned or visit the campus.

CHRIST CAMPUS, RAJKOT

Since June 1998

Christ Campus epitomises the quest for excellence in higher education. Established in 1998 and inaugurated by Dr A P J Kalam in 2001, the Campus has served as a temple of learning for the all-round development of students. Offering a wide variety of courses with English as the medium of instruction, the Campus has rendered remarkable service and set increasingly higher academic benchmarks. It is characterised by an enduring legacy of holistic education and infinite opportunities.

Christ Campus derives its distinct character from the state-of-the-art infrastructure, technology-aided teaching-learning process and countless student development programmes. Well-qualified and experienced faculty members work towards the multi-dimensional advancement of the students, whereas the Clubs and Associations of the Campus facilitate a host of creative co-curricular and extra-curricular activities. Organized in a sustained manner, seminars, workshops and symposia expose the students to the latest global developments in the salient academic arenas.

Christ Campus encompasses Christ College, Christ Institute of Management and Christ Polytechnic Institute and has set new quality yardsticks. Christ College has the distinction of being the youngest college to be accredited with Five Star Status by NAAC. To maintain high standards of quality, the College has gone for ISO 9001:2000 certification too. The WiFi facility on campus provides access to the emerging trends in various domains of knowledge. Adding a new dimension to management studies, Christ Institute of Management came into being in 2010 which had been a long cherished dream of the Campus ever since its inception. With the distinction of being the first English medium Polytechnic Institute, Christ Polytechnic Institute has rendered valuable service in the realm of technical education.

Christ Campus, with a decade of service to the students of Saurashtra and Kutch region, has transformed the academic experience of higher education. The Campus makes ceaseless endeavours to push the envelope with the introduction of Diploma Studies, Certificate Courses, novel teaching methodologies and newer technologies, pursuing the hallowed ideal of empowering the young generation. Education on Christ Campus is a defining experience of a student's growth and development.

Why Christ Campus...

After obtaining all the apparent information and details, one would be really keen to join Christ Campus.

Here are a few facts and dimensions of the Campus which set it above the rest of the institutions in the city. Just take a glimpse into these unique features before you sign the application form.

We hold it true that the traditional method of chalk and talk cannot make learning go a long way. Modern day teaching aids, novel teaching methods and optimal use of technology define and redefine the experience of learning on Christ Campus.

Qualified and experienced faculty members are dedicated to moulding the generation of the morrow. On Christ Campus, education merely begins with the teaching and learning of subject-knowledge; it endlessly extends into the realms of value orientation, community service and good citizenship.

Organized on a regular basis, industrial visits, seminars, workshops and symposia are the summit of the practical application of knowledge. We believe that a student has unbounded potential to learn and grow. Keeping it in mind, the Campus relentlessly sets rolling numerous activities to channelize the rare gifts of the youth.

If excellence is the quest of your life, Christ Campus is the place to be...
